- **Robust heat exchanger design** featuring aluminized steel for long life and safe operation
- **Qualifies for U.S. Federal Tax Credits\***
- **ENERGY STAR® qualified**

Approximate Five-Year Natural Gas Cumulative Energy Savings for 95% AFUE New Furnace vs. 60% Efficient Furnace<sup>†</sup>

<sup>†</sup> Cumulative gas usage savings based on 2008 National Residential Retail Average Natural Gas price of \$1.35 per thousand cubic feet, per US Department of Energy. Based on 100,000 BTUH inputs and assuming 60% AFUE for existing unit. Actual costs may vary on systems settings, equipment installation and maintenance, duct system, local climate, local utility rates and hours of operation.

<sup>††</sup> Warranty provides for a total of 10 years of limited warranty coverage (Standard 5-year limited parts warranty plus an additional 5-year limited extended parts warranty). Warranty must be registered online within 60 days of installation to qualify for 10-year coverage. Unregistered equipment defaults to 5-year coverage. Lifetime limited heat exchanger warranty applies to registered equipment only (Standard 20 years with no online registration). See full warranty at [www.alliedair.com](http://www.alliedair.com) for terms, conditions and exclusions.

\* Please consult a qualified Tax Professional for eligibility.

Proper sizing and installation of equipment is critical to achieve optimal performance. Ask your contractor for details or visit [www.energystar.gov](http://www.energystar.gov).
